

PT16 14' x 48'

Command attention. Protect your investment.

A high-impact outdoor LED billboard designed to help sign companies present a compelling, durable digital-out-of-home solution for demanding roadside applications.

MAXIMUM BRIGHTNESS

20,000 NITS

Built to stay visible when daylight is at its toughest.

SELL MORE THAN A SCREEN.

Give your customer a dependable digital revenue platform.

The PT16 pairs commanding size with intense peak brightness and long-term manufacturer coverage - a stronger story for owners weighing visibility, uptime, and life-cycle value.
